

**Course 1 - Fast Start to Compliance**

Learn WHY regulatory compliance is THE MOST VITAL aspect of your MLM business, and protects its long-term viability, profitability, and success.

**Course 2 – Pyramids**

This course teaches what a pyramid is, and how regulators and courts analyze MLM programs. Avoid turning your legal MLM into an illegal pyramid.

**Course 3 - Income Claims and Earnings Representations**

This course teaches what federal regulators REQUIRE for proper income and earning claims. Avoid being sued or having your assets frozen.

**Course 4 – Securities**

This course teaches how securities laws can devastate a legal MLM program, if violated! Avoid turning your legitimate MLM into an illegal security.

**Course 5 - Franchisees and Business Opportunities**

This course teaches how franchise/business opportunity laws can apply to MLMs. Avoid claims that can trigger their application and shut you down.

**Course 6 - Lotteries**

This course explores how lottery laws have been used to shut down legitimate MLM programs. Learn how to protect your business and your company!

**Course 7 - Buying Clubs**

This course analyzes how MLM programs can inadvertently violate buying club laws. Learn to promote your MLM properly and safely so that you don't!

**Course 8 - Certificate Programs**

This course teaches you how to properly market product certificates and certificate programs. Learn how to promote them confidently and legally.

**Course 9 - Auto-Ship and Auto-Order Programs**

This course teaches the legal issues surrounding Auto-Ship/Auto-Order programs. Learn how to promote them legally and avoid regulatory challenges.

**Course 10 - Cooling Off Laws**

This course teaches federal cooling-off laws and how they impact your sales efforts. Learn why and how to avoid breaking these important laws.
